DATAQUEST - Recommendations

PRIORITY ACTIONS

HIGH PRIORITY

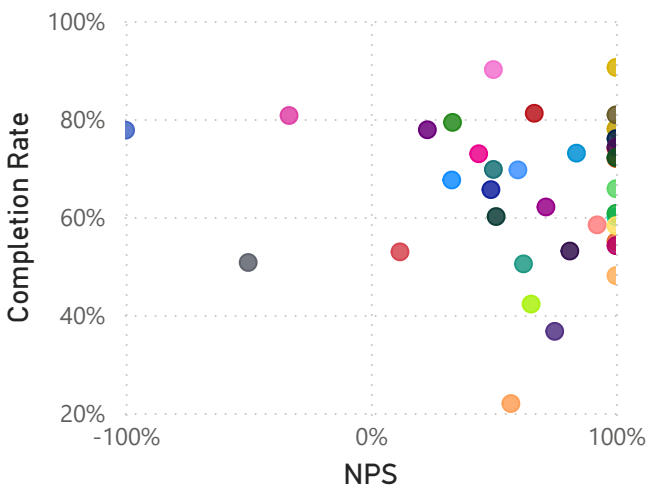

- Lessons with <40% completion need immediate review
- Lessons with Bottom 5 NPS ranks considering the lessons with adequate responses - improve content quality

MEDIUM PRIORITY

- Recommend to capture survey responses on lessons which received very less or low responses. Can pick the lesson IDs in the below table.

✔ **OPPORTUNITY** Lessons with High NPS Score with low completion rate can be promoted to increase the completion rates as course quality is already seems good.
